

PRODUCT DATA SHEET

Product ID:
RGH35

Product Name:
Two Point Ladies' Safety Harness

Our ladies' harness is specially designed by ladies for ladies.

The "step-in" harness is manufactured with a high chest V and centre strap for a comfortable fitting, limiting any possible damage to the breast tissue in the event of a fall. The harness is supplied with a waist belt for additional comfort and quick connect leg adjustment to aid donning. Comfort leg pads are supplied as standard.

Accredited to:

EN361:2002
