

FP08 - Portwest Work Positioning Belt

Collection: Harnesses

Range: Fall Protection

Materials: Polyester Webbing

Product information

Fully adjustable padded belt, complete with two side D-rings that can also be moved to rear if needed.

Standards

EN 358

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.

Features

- CE certified
- Adjustable waist for a perfect fit
- Side D-rings
- Durable metal buckles with easy access
- Padded belt
